

## About ActioNet

For more than a dozen years, ActioNet has served federal customers as a proven partner, enthusiastically embracing complex enterprise challenges to deliver high-performance IT solutions.

Our corporate culture is high-energy and process driven – our team is focused on delivering value and building long-term win-win partnerships. Our passion keeps us ahead of our customers' needs with solutions that span the entire business and technology lifecycle.

## The ActioNet Difference

- Proven performance in high priority IT areas, including *cloud computing, cyber security, mobile computing, and collaboration*
- *Depth and breadth* of service offering
- Committed *executive level management* focused on quality service
- *Risk-mitigation* practices integrated into every project
- Stability and strength of a *financially robust* and experienced organization
- Corporate infrastructure to effectively *manage and control* any project
- Advanced certifications and credentials, including *CMMI® Level 3, ISO 20000, ISO 9001-2008, ITIL*
- *Working relationships* with IT industry to meet specialized requirements

And finally . . . the *desire to excel* in meeting your needs

## ActioNet and GSA Alliant Small Business

**F**lexible and Comprehensive. That is why more than 50 federal defense and civilian organizations have made the Alliant Small Business (Alliant SB) Government-wide Acquisition Contract (GWAC) their contract vehicle of choice. Alliant SB is a competitive multiple award, indefinite-delivery, indefinite-quantity set-aside contract that allows agencies the ability to accrue small business and other socio-economic credit. It provides all federal defense and civilian agencies with an efficient, flexible way to order information technology services and solutions worldwide.

ActioNet supports the full scope of Alliant SB information technology services and solutions. We have been providing these services and solutions to federal agencies for more than 12 years. We understand the GSA contracting environment and fully embrace the concept of partnering with our customers and GSA. We are a customer-centric company. We value our customers and provide that personal touch and attention they deserve. Our corporate foundation is built on quality processes and services for our customers as well as the strong commitment to our employees.
